

Dear new Rhodesian Ridgeback owner,

We would like to take the opportunity to congratulate you on your new addition to the family! We would also like to take a moment to introduce you to our club. We are the Rhodesian Ridgeback Club of Eastern Canada (RRCEC). We are a club that promotes responsible dog ownership and we plan activities that give our members the opportunity to meet and spend time with other Ridgeback owners and their dogs in a relaxed atmosphere. We set up activity days so that you can try new things with your dog, like racing, agility, scent detection, and more. We also hold an annual Specialty conformation show, and booster shows throughout the year. Through the generosity of your breeder you have been given a puppy membership to the club. We welcome you and hope that we see you & your puppy out at club activities in the coming year!

Your membership is effective immediately and is valid for one calendar year to the end of December, or in instances where your puppy came home after July 1st in any given year, to the end of December in the following full year.

Your membership entitles you to participate in Club activities, and to contribute photos and stories to the quarterly newsletter (the Ridgeback Roster). You are also entitled to participate and contribute to our Facebook page (www.facebook.com/groups/RRCEC).

You will not have voting privileges at our AGM, although you are more than welcome to join us and share your ideas for activities, etc. Please check out our website at www.ridgebackcanada.com. Information on local activities are posted on this site, as well as on our Facebook page. We will also send activity day information to you via email by your local area Director or by our club secretary. In order to ensure that we have the correct contact information and your communication preferences, we ask that you please send us a quick email. Please include your full name, your puppy's name and your breeder's name, as well as your email address. You will find our Secretary's email address below.

We are also attaching a copy of the Executive members for your information. This shows local contacts who can always answer questions and who are responsible for local activities in their geographic area. I know if you have any questions you will contact your breeder but please do not hesitate to contact any one of the Executive members about our activities, or with general questions, if you wish.

We look forward to meeting you and your puppy very soon!

Sincerely,

President

Please send contact information and/or questions to: Diana Hogan Club Secretary, at: dandhogan@rogers.com
